FISCAL REVIEW COMMITTEE**

FISCAL NOTE

SB 621 - HB 1525

February 19, 2009

SUMMARY OF BILL: Authorizes cyber-based public charter schools.

ESTIMATED FISCAL IMPACT:

Other Fiscal Impact - If a cyber-based charter school is approved, there will be a shift in funds from the local education agency to the charter school. Such a shift in funds would be dependent upon the number of students currently attending a regular K-12 public school that would transfer to a charter school.

Assumptions:

- No change in the BEP formula.
- Currently, there are no cyber-based public charter schools. A cyber-based charter school will go through the normal application process.
